

<h2>Adapted Toys</h2>		
UCP01808	<p>Adapted Boom box</p> 	<p>This boom box features a CD player, a cassette player and recorder, AM-FM radio with 30 station pre-sets, a Mega bass sound system, and audio-in for connecting smart phones and MP3 players. Activate your switch once to turn ON the radio, tape or CD player, activate it a second time to turn the selected function OFF.</p>
UCP00308	<p>Curious George jack in-the-box</p> 	<p>Activate a capability switch and George pops out and a fun tune plays. A terrific cause and effect experience.</p>
UCP01810	<p>Learn and Dance Zoo</p> 	<p>There are four brightly colored buttons: one set on top of trees and another set of larger buttons placed low for easier access. These buttons introduce new animal friends through short, playful songs. A simple touch will activate an engaging animal adventure!</p>
UCP00302	<p>Switch Adapted Talking Olaf From Frozen</p> 	<p>Switch adapted for use with capability switch for those with physical limitations. Says a number of phrases. Head detaches, and says different phrases when turned different directions. Great toy for promoting cause and effect. When you push his nose, his eyes cross and Olaf will start to tell you a joke, push his nose in again to hear the hysterical punch line.</p>
UCP00376	<p>Switch Adapted Dancing Dave Minion</p> 	<p>Switch adapted for use with capability switch. 8" tall molded plastic body, moves eyes & feet, interacts with music and sounds. Original Toy activation also maintained, try me mode used for switch adaption.</p>

UCP01812	<p style="text-align: center;">St Bernard Puppy</p> 	<p>Bow wow! Take your St. Bernard Puppy for a walk. He moves and wags his tail while barking. He is a wonderful pet to have, so soft and cuddly, and he helps to increase directionality skills.</p>

<h1>Sensory</h1>		
UCP01818	Starry Night 	Six soothing sounds! Activate your switch and relax to your favorite calming sound while watching the stars projected on your ceiling. Sounds include birds, brooks, rainforest, ocean waves, and rain which help to develop listening skills. Light and sound can be used separately or together.
UCP00291	Squash-It Auditory Fidgets 	Hourglass fidget filled with non-toxic gel fluid. Squeezing or pressing down on one side sends the fluid through the narrow middle channel to the other side. Manual, no switch. Can be used to increase strength in digits/wrists, to encourage crossing mid-line or even be used with feet!
UCP00353	Fubbles Fun 	Bubble blaster! Fun motorized Bubble Machine that blows tons of bubbles. The moving wands blow hundreds of continuous bubbles. Great for developing visual tracking.
UCP01821	Ocean Wave Light Projector 	Projector Soothing! Our Wave Projector Light has 12 LEDs which cycle between red, blue, green and multicolor transforming your sensory room into a peaceful oasis. Built-in speaker is iPod and MP3 compatible.
unknown	Textured Tunes 	A fantastic sensory experience! With stimulating textures and bold, vibrant colors, the interchangeable balls are perfect for hands-on sensory exploration. We've added bead chains, multi-colored blinking lights, six upbeat tunes, and vibration. A Lazy Susan base provides easy access to all. Just swipe at the ball and the fun begins.
UCP01826	Mini Popper 	Press anywhere and enjoy music, bouncing balls, vibration and lights. Great for increasing visual attention, tactile awareness and auditory development. Can activate with your favorite switch.

UCP01827	<p style="text-align: center;">Visually and Hearing Impaired Activity Center</p> 	<p>Provides hours of somatosensory stimulation! This activity center is specially-designed to introduce individuals who cannot see or hear, to the world of play. Includes a spinning soft cloth, a vibrating plate and a fan.</p>
UCP00369	<p style="text-align: center;">Desktop Busy Box</p> 	<p>Spin the busy box and discover different tactile experiences along with multi-colored lights, a mirror, music, and vibration. When you press the red plate, your pre-recorded message plays with 10 seconds of recording time.</p>
UCP01830	<p style="text-align: center;">Bladeless Fan</p> 	<p>No moving parts! We've adapted this unique fan and set it in a sturdy base. Fan has continuously changing LED lights and no visible fan blade making it safe for curious children. Works both with and without a switch.</p>
UCP01831	<p style="text-align: center;">Shimmering Dome</p> 	<p>Beautiful color patterns! Activate the black frame of the dome and hear music while watching the beautiful multi-colored light show (music plays for 20 seconds). The color patterns are mesmerizing. Great for increasing visual attention and color recognition.</p>
UCP01832	<p style="text-align: center;">Fiber Flash Lamp</p> 	<p>Now with music! We have added music to our attention getting Fiber Flash Lamp. Everyone will be delighted to get sensory input from this combination when they activate their capability switch. Lamp increases visual attention and listening skills.</p>

UCP01833	<p style="text-align: center;">Twinkles to Go Octo</p> 	<p>Projects magical light! This fun night light projects a fun pattern of stars and fish. Choose between two light colors: green or blue. We've adapted the light in two ways: activate one switch and it turns the light on or off; activate the second switch to choose your color pattern. Light has an auto shut off of 45 minutes. Work with long-lasting LED's.</p>
UCP01836	<p style="text-align: center;">Motion Sensor Bead Chain with Lights and Music</p> 	<p>Ergonomic design! Our popular bead chains have a unique design for users who can reach through to the base. When a hand passes over the light sensor, a red light blinks and music plays. This provides wonderful visual auditory and tactile experiences.</p>
UCP01837	<p style="text-align: center;">Interchangeable textured roller</p> 	<p>Five different textures! Our innovative textured rollers provide hours of sensory awareness. Comes with five colorful textured rollers: large and small bead chains, two different rope textures and a soft ribbed texture. Rollers can be easily changed with the slip-in slip-out pin.</p>
UCP01825	<p style="text-align: center;">All that Glitters</p> 	<p>Encourages reaching and swiping! Lights, vibration, music, flying beads and glitter. For visual, auditory and tactile awakening.</p>
<h2>Musical Toys</h2>		
UCP00351	<p style="text-align: center;">Glitter pin with lights, vibration and music</p> 	<p>The Glitter pin is divided into three sections of beads and can be easily mounted onto a mirrored base (sold separately). Lights up as the beads tumble, has colored lights in each section and plays music as it gently vibrates. Great for visual, auditory and physical stimulation.</p>

UCP01839	<p style="text-align: center;">Spinning Symphony</p> 	<p>Fantastic classical music fun! Spinning Symphony is a fantastic way to enhance musical interest and engage in active exploration, which helps to increase auditory development and listening skills. Press any of the bright colored instrument switches to hear six different Mozart compositions.</p>
UCP00344	<p style="text-align: center;">Mini Shooting Stars</p> 	<p>Activate by pressing on the clear top and the stars will shoot all around while the device lights up, plays music and vibrates. Mini shooting stars enhances visual stimulation, sensory awareness and auditory skills.</p>
UCP00310	<p style="text-align: center;">Musical Fan Switch with Lights</p> 	<p>A great cause and effect switch! Press the oval plate and feel, hear and see the fan turn on. Connect your device to this switch and it will simultaneously turn on your device.</p>
UCP01840	<p style="text-align: center;">Musical Snail</p> 	<p>Make musical notes by pushing the colored buttons. Musical Helps to increase eye hand coordination and encourages listening skills. It also has eight pre-recorded songs that you can play by pressing the auto play mode, then activating one of the buttons.</p>
UCP01841	<p style="text-align: center;">Ollie the Octopus</p> 	<p>Activate your capability switch and Ollie will play one of four classical songs. Push your switch again for another tune. Press the piano patch on Ollie's leg to change instruments. Other legs play different notes of the selected instrument.</p>
UCP01842	<p style="text-align: center;">Crawl About Butterfly</p> 	<p>Cuddly crawlers! Press the bodies of these Crawls About or activate your capability switch and these cute critters will scoot across the floor and play twelve different melodies. Great for teaching cause and effect and for developing tactile skills.</p>

UCP01843	<p style="text-align: center;">Music and Lights Caterpillar</p> 	<p>Plays 16 songs! Activate your capability switch and play 16 different children’s songs while 4 colored flashing lights flash in tune to the music. Increases auditory and language development. Also works by pushing the pink button on the caterpillar’s back.</p>
UCP00340	<p style="text-align: center;">Musical Touch</p> 	<p>Sounds and music are created when physical contact is made between the players. Select melodies, percussion or animal sounds then tap your friend’s hand, arm etc. and a sound is made. Great fun way to encourage interaction with others.</p>
UCP01844	<p style="text-align: center;">Butterfly</p> 	<p>Plays 18 different songs! Just hit your switch and the multi-colored blinking lights dance around the Butterfly while music plays. Great for visual tracking.</p>
UCP01834	<p style="text-align: center;">Musical Twister</p> 	<p>Watch a funnel form! Activate switch and multi-colored glitter starts to twirl while music plays. Soon the funnel of a twister begins to form before your very eyes, creating a fantastic visual effect. Great for improving visual attention and for encouraging listening skills. Comes with two different choices for switch activation – on/off or momentary.</p>

Switches

UCP01845	<p style="text-align: center;">I Pad Wireless Switch</p> 	<p>Switch access! Control hundreds of compatible apps on your Bluetooth-equipped iPad, iPhone, iPod Touch, MAC, PC or Android device. (A chart of switch accessible apps is available free on our website.) Choose either our one or two switch device.</p>
UCP1846	<p style="text-align: center;">Glitter Gumball switch</p>	<p>We’ve jazzed up our most popular Gumball Switches by adding a variety of colored glitter to the tops. Seven different colors to</p>
