Adapted Toys (Switch Required)

UCP 02037	<p>Curious George Jack-in-the-box</p>  A yellow and red toy box featuring the character Curious George. The box is partially open, and a small black monkey figure is popping out from the top.	<p>A beloved literary character comes to life with this switch activated Jack-in-the-box. When George pops out of the box, a lively tune plays. A wonderful way to teach cause and effect.</p>
UCP 02040	<p>Led Fan</p>  A yellow toy fan with a red base and a circular LED light display on top. The display shows various colorful patterns.	<p>Stay cool and be entertained with this adapted fan that's also a light show! With just the push of a button, the fan's LED lights create more than 30 different color patterns. Two suction cups hold the fan in place. <i>Also works with a switch.</i></p> <p>NOTE: <i>Not to be used with seizure prone individuals.</i></p>
UCP 02052	<p>Music Box</p>  A blue toy music box with a yellow circular dial on top. The dial has a white musical note icon and two small white circles.	<p>Plug in up to four of your capability switches to hear four different tunes and see flashing lights.</p>
UCP 02059	<p>Adapted Color Spinout</p>  A blue and orange toy spinout with a red marker on top. It has a circular base with several colored sections and a gear mechanism.	<p>Create colorful designs and patterns with a press of a switch. Adjust gear arms for dozens of different patterns. Connects up to 3 markers at once. Set includes: 6 markers and 40 paper sheets.</p>

Adapted Toys (Non-Switch)
