Adapted Toys (Switch Required)

| | | |
|----------|---|--|
| UCP00271 | <p style="text-align: center;">CD Boom Box</p>  | <p>Equipped with CD Player, AM/FM radio and cassette recorder, the all-in-one boom box is easy to use. Just plug your switch into the CD jack or radio/cassette jack depending on what function you wish to use. Then start the tunes coming! The radio functions one switch activation to play, a second to turn the Radio off. The CD and tape function starts and pauses with each switch activation. The CD function will not work with a latch/timer.</p> |
| UCP00281 | <p style="text-align: center;">Ollie the Octopus</p>  | <p>Activate a capability switch and Ollie will play one of four classical songs. Includes the sound of violin, saxophone, bell, accordion, piano and wacky sounds. (<i>Ollie can also be used without a switch</i>). Great for teaching cause and effect, developing fine motor skills and promoting music appreciation.</p> |
| UCP00282 | <p style="text-align: center;">Patches the Pup</p>  | <p>Cuddly fur, softly colors lights and soothing sweet music! Patches the pup has been switch adapted to accept a standard switch Press and release your switch or press Patches' paw and he lights up with softly-colored changing lights while a gentle lullaby plays. He can be turned on and off with your switch, using the switch on his paw, or he will automatically shut off after five minutes.</p> |
| UCP00283 | <p style="text-align: center;">Twinkles to go October</p>  | <p>Let there be light! This adapted illuminator reflects an enchanting, yet calming pattern of stars and fish in blue or green. Activate one switch and it turns the light on or off; activate the second switch to choose your color pattern. Turns off automatically after 45 minutes and works with long-lasting LED's. <i>Use with or without switches.</i></p> |
| UCP00287 | <p style="text-align: center;">Fiber Flash Lamp</p>  | <p>Everyone will be delighted to get sensory input from this combination when they activate their capability switch. This musical lamp increases visual attention and listening skills.</p> |

Adapted Toys (Non-Switch)

| | | |
|----------|--|---|
| UCP00274 | <p>Visually and Hearing Impaired Activity Center</p>  | <p>This activity center is specially-designed to introduce individuals who cannot see or hear, to the world of play. Includes soft cloth, a vibrating plate and a fan.</p> |
| UCP00285 | <p>Saint Benard Puppy</p>  | <p>He moves and wags his tail while barking. He is a wonderful pet to have, so soft and cuddly, and he helps to increase directionality skills.</p> |
| UCP00270 | <p>Starry Night</p>  | <p>Relax to your favorite calming sound from any MP3 Player while watching the stars project on your ceiling. Sounds include birds, brooks, rainforest, ocean waves, and rain which help to develop listening skills. Light and sound can be used separately or together.</p> |

Communication Devices

| | | |
|----------|--|---|
| UCP00269 | <p>4-Level Communication Builder</p>  | <p>This Communication Builder is equipped with (5) easy to change frames, which allows you to refine communication choices as the person develops new skills. Record your own messages with a simple push of a button. Progressive communication devices like this one allow users to develop communication skills, convey messages to others and interact with people from a distance.</p> |

Switches

| | | |
|----------------------|---|---|
| UCP00278 UCP00279 | <p>Tactile Switch Set</p>  | <p>Take your pick between these two textured switches—one that vibrates and one that doesn't. Each switch is activated by the slightest touch to its upper rim or tactile dome and enables any toy or device. A wonderful somatosensory experience.</p> |
| UCP00280 | <p>Koosh Switch</p>  | <p>Touch the compelling ball of rubber strings and be instantly rewarded with lights, music and vibration. Lights and music are disabled when used with a switch.</p> |
| UCP00284 | <p>Glitter Gumball Switch</p>  | <p>High quality, dependable switch provides both audible and tactile feedback. Comes with permanent clear plastic covers to protect glitter surface.</p> |

| | | |
|----------|---|--|
| UCP00286 | <p style="text-align: center;">Plate Switch</p>  | <p>Responds to even the slightest touch. It is ergonomically designed so that you need only make the slightest movement to contact the sloping plate. Suction cups are provided for ease of attachment to most surfaces.</p> |
| UCP00288 | <p style="text-align: center;">Cushion Grip Switch (Medium)</p>  | <p>A fantastic sensitive switch that fits most hands. Just slip it over a hand and use a palmer grasp or roll it on a tray or tabletop to activate any device or toy.</p> |
