UCP01504	<p>WePlay Rainbow River Stones</p>  A photograph showing several colorful, circular river stones in various sizes and colors (yellow, green, red, orange) with different patterns like polka dots and stripes.	<p>Walking and jumping from stone to stone provide important stimulation for sensory development, vestibular balance, movement coordination, concentration, reaction capacity and self-confidence. The 3 different sizes of river stone suit the needs of growing children and allow any creative route designs.</p>
UCP01503	<p>WePlay Balance Board Maze</p>  A photograph of a blue circular balance board with a snail-shaped maze on top and three small colored balls (red, green, yellow) placed on the maze.	<p>Add an extra level of fun to playtime with this great Balance Board from Agenta. Use it to increase balance and coordination or to develop a sense of direction. The WePlay Maze Balance Board comes complete with a snail-shaped maze to guide three colored balls through for an extra level of skill development.</p>
UCP01535	<p>Pump-N-Go Cart</p>  A photograph of a wooden and blue pump-and-go cart with two large blue wheels and a wooden handle.	<p>This is a great tool to increase balance, trunk control and large motor skills while providing hours of fun.</p>
UCP01520	<p>Egg and Spoon Race</p>  A photograph of several colorful plastic spoons and eggs in various colors (red, yellow, green, blue, purple).	<p>This game focuses on balance and coordination. This is a great large motor activity for children of any age.</p>
UCP01505	<p>Toddler Ride On</p>  A photograph of a yellow and red toddler ride-on toy with two large red wheels and a black seat.	<p>This is a great tool to increase balance, trunk control and large motor skills while providing hours of fun.</p>

UCP01537	<p style="text-align: center;">Versa Form Positioning Pillow</p> 	<p>Versa pillows conform to the shape of the person when air is extracted with a vacuum pump. Pillows are filled with styrene beads which compress and mold to offer firm support for the individual. The pillows can be re-inflated and used again by letting air in through the locking valve.</p>
UCP01536	<p style="text-align: center;">Versa Form Vacuum Pump</p> 	<p>Versa Form vacuum pump is single handed operation allows the user to form the pillow at various points while removing the air.</p>
UCP01674 UCP01674	<p style="text-align: center;">Biddy Belly</p> 	<p>Its unique shape and gradual incline help promote correct muscle development during tummy time.</p>

## Sensory

UCP00527 UCP00541 UCP00542 UCP00543	<p style="text-align: center;">Textured Ball</p> 	<p>Sensory Balls enhance sensory stimulation and these nubby textured balls are an amazing tactile ball product.</p>
UCP00534	<p style="text-align: center;">Aqua Bubbles</p> 	<p>Aqua Bubble Panel is a 11" light up water panel. Enjoy the calming colorful bubbles as they endlessly float upward inside the different panel shapes.</p>
UCP00531	<p style="text-align: center;">Chicco Shape Sorter Drum</p>	<p>Two toys in one! One side of the Shape Sorter Drum is equipped with three colorful buttons. Flip the drum over and baby discovers a fun shape sorter, with</p>

Children's Rehab Center  
 3004 W Faidley Avenue – Grand Island, NE. 68803  
 308-398-5170

		three simple shapes to explore.
UCP00552 UCP00553	<p style="text-align: center;">Starlight</p> 	Reflecting colors! Activate your capability switch and watch the vibrating fiber optic strings swirl magically and reflect changing colors of red, green, blue, green, and purple.
UCP00564	<p style="text-align: center;">Lighted Sensory Plate</p> 	This 5" x 8" bead chain and unbreakable plastic mirror is perfect for the child who requires exceptional sensory input. When touched, the plate vibrates, the music plays and the red light goes on. The plate can also be used as an external switch without light, vibration, or music when connected to a toy or device.
UCP00584 UCP00596	<p style="text-align: center;">Adapted Mirror</p> 	When you pick up the mirror the lights turn on while the unit vibrates. This encourages the child to visually attend to him/herself and increases bi-lateral hand usage. The level of vibration is adjustable.
UCP00608	<p style="text-align: center;">Switch - Dome Alone w/Switch</p> 	Children just love to watch the bright, confetti-like objects dance around in our best-selling dome toy. A splendid tempest of music, color and light. This Appropriate for all ages.
UCP00624 UCP00628	<p style="text-align: center;">Kaleido Dome</p>	Perfect for encouraging children to become actively involved. This fun toy enhances
