

TECH TOOLS, A DEVELOPMENTAL TECHNOLOGY LIBRARY CATALOG

A program of United Cerebral Palsy of Nebraska

**Host Site:
Tree Top Therapy &
Family Physical Therapy**

Introduction:

Play is an essential component of growing up. As children engage in play, they practice and master specific physical, psycho-social, emotional, and creative skills necessary for understanding and interacting with the world around them.

The **Tech Tools, A Developmental Technology Library** allows individuals of all ages and abilities to explore the world of play and participate more independently within their environment, at home, or at school.

Tech Tools is a unique program offered through [United Cerebral Palsy of Nebraska](#). The lending library consists of sophisticated augmentative technology and devices for individuals with a special need. These adapted toys and devices are loaned to families, professionals and other care providers at no cost.

In this catalog you will find a description of each item in the library at Tree Top Therapy & Family Physical Therapy. Listed below are categories and generalized types of items:

Adapted Toys (Switch Required)	Leisure/Recreation
Adapted Toys (Non-Switch)	Sensory
Adapted Supports	Switches
Communication Devices	Therapeutic Listening System

FAQ: Why are these libraries needed?

Market prices of adapted toys and devices can be 3-5x that of normal toys, placing additional financial burden on families/guardians already navigating inordinate care-related costs. Given children's quickly changing interests and these high costs, people with disabilities tend not to have adequate access to them for play, inclusion and independence. Items are available on loan so they can be tested before a costly purchase.

Adapted Toys (Switch Required)

UCP 00304	<p>Switch Adapted Singing Olaf</p> 	<p>Switch adapted for use with capability switch. Laugh with Olaf, he has over 50 funny phrases.</p>
UCP 02371	<p>St Bernard Puppy</p> 	<p>Take your St. Bernard Puppy for a walk. He moves and wags his tail while barking. He is a wonderful pet to have, so soft and cuddly, and he helps to increase directionality skills.</p> <p style="text-align: right;"><i>Spot clean only</i></p>
UCP 01826	<p>Mini Popper</p> 	<p>Press anywhere and enjoy music, bouncing balls, vibration and lights. Great for increasing visual attention, tactile awareness and auditory development.</p> <p>Note: Can be used with or without a switch.</p>
UCP 02461	<p>Led Fan</p> 	<p>Stay cool and be entertained with this extraordinary adapted fan that's also a light show! With just the push of the button, the fan's LED lights create more than 30 different color patterns. Two suction cups hold the fan in place.</p> <p>Note: Can be used with or without a switch.</p>
UCP 02454	<p>Vibrating Fiber Optic Light</p> 	<p>Activate your switch and see vibrating fiber optic strings swirl and reflect color changing crystals of red, green, blue and purple.</p>
UCP 02462	<p>Twinkles to Go Octo</p> 	<p>This fun night light projects a fun pattern of stars and fish. Choose between green or blue. Activate one switch and it turns the light on or off; activate the second switch to choose your color pattern. Light has an auto shut-off of 45 minutes.</p>
