

TECH TOOLS, A DEVELOPMENTAL TECHNOLOGY LIBRARY CATALOG

A program of United Cerebral Palsy of Nebraska

Host Site:
Pediatric Therapy Center

Introduction:

Play is an essential component of growing up. As children engage in play, they practice and master specific physical, psycho-social, emotional, and creative skills necessary for understanding and interacting with the world around them.

The **Tech Tools, A Developmental Technology Library** allows individuals of all ages and abilities to explore the world of play and participate more independently within their environment, at home, or at school.

Tech Tools is a unique program offered through [United Cerebral Palsy of Nebraska](#). The lending library consists of sophisticated augmentative technology and devices for individuals with a special need. These adapted toys and devices are loaned to families, professionals and other care providers at no cost.

In this catalog you will find a description of each item in the library located in the Pediatric Therapy Center. Listed below are categories and generalized types of items:

Adapted Toys (Switch Required)	Leisure/Recreation
Adapted Toys (Non-Switch)	Sensory
Adapted Supports	Switches
Communication Devices	

FAQ: Why are these libraries needed?

Market prices of adapted toys and devices can be 3-5x that of normal toys, placing additional financial burden on families/guardians already navigating inordinate care-related costs. Given children's quickly changing interests and these high costs, people with disabilities tend not to have adequate access to them for play, inclusion and independence. Items are available on loan so they can be tested before a costly purchase.

Adapted Toys (Switch Required)

UCP 02325	Topsy Turvy 	A visual, auditory and tactile celebration, this toy sends colorful beads cascading through its clear, rotating tube while multi-colored lights blink and six rocking tunes play when a switch is activated.
UCP 02327	Mini Popper 	A sensory bonanza! Press the popper's rim or dome to start music, vibration, flashing lights and bouncing balls. <i>Note: Can be used with or without a switch.</i>
UCP 02368	Mini Dome Switch 	Bright lights, dazzling glitter and lively music makes this one exciting capability switch. A built-in control allows the user to select one or more of the mini dome's sensory rewards. Terrific for teaching cause and effect, this switch also increases visual attention.
UCP 02742	Musical Twister 	Hold on to your hats! There's a twister coming! Just activate a capability switch to behold the twister's swirling glitter and hear its enchanting music. Comes with on/off or momentary switch activation. A truly captivating experience that improves visual attention and listening skills. <i>Note: Use Distilled Water Only.</i>
UCP 02740	Melody Bells 	It's a carnival of light and sound! Spins a wonderful cascade of music when the user activates a capability switch. Eight colorful metal bells produce a clear tone when the striker ball hits them while LED lights flash. Great for teaching cause and effect and increasing listening skills.
UCP 02328	Music & Light Caterpillar 	Activate a capability switch OR push the pink button on its back and it will play 16 different songs while its four colorful lights flash. <i>Note: Can be used with or without a switch.</i>

UCP 02330	Curious George Jack-in-the-Box 	Activate a capability switch and Curious George pops out and is ready to play. To play again, push Curious George back into the box and push the lid down until it locks closed.
UCP 02651	Baby Monkey Drum 	Drum up some fun with this interactive toy that teaches about animals, animal sounds and colors while enjoying 70+ drum sounds, songs, melodies and phrases. The three large switches allow the user to easily activate the toy while also developing motor skills. The yellow drum is also adapted so when a capability switch is added it will activate the yellow drum functions.
UCP 02697	Led Fan 	Stay cool and be entertained with this adapted fan that's also a light show! With just the push of the button, the fan's LED lights create more than 30 different color patterns. Two suction cups hold the fan in place. <i>Note: Can be used with or without a switch.</i>
UCP 02733	Switch Adapted Frog Bubble Machine 	Interactive Bubble Play! Activate a capability switch and thousands of bubbles will be blown.
UCP 02734	Sky High Fubbles Bubble Blower 	Get ready to dance and play under a cloud of bubbles! This bubble machine uses seven bubble wands to create tons of bubbles that fly up in the air and gently float down. Fill the reservoir on the top of the machine and push the button of a capability switch and watch the fun begin.
UCP 02335	Twinkles to Go Octo 	Reflects an enchanting, yet calming pattern of stars and fish in blue or green. Activate one switch and it turns the light on or off; activate the second switch to choose a color pattern. Turns off automatically after 45 minutes and works with long-lasting LEDs. <i>Note: Can be used with or without a switch</i>

UCP 02336	<p>Multi-Sensory Center</p> 	<p>Designed to provide visual, auditory and tactile stimulation, this Centers' ultra-bright lights, music and vibration options makes it an ideal choice for users with visual impairment.</p> <p><i>Note: Can be used with or without a switch</i></p>
UCP 02464	<p>Switch Adapted Explore 'N Grow Busy Gears</p> 	<p>With a capability switch the colorful gears spin and swirl, with fun music, twinkling lights and lots of giggles in the background! Helps encourage development of fine motor skills, cognitive learning and sensory development.</p>
UCP 02546	<p>Light-Up Transparent Bump & Go Car</p> 	<p>Watch the gears turn as the car zips around, turning whenever it encounters an obstacle. Lights flash and music plays, too! Provides multi-sensory engagement and promotes curiosity.</p> <p><i>Note: Can be used with or without a switch.</i></p>
UCP 02741	<p>Smooth Moves Sloth</p> 	<p>Lights, sounds and songs play while Smooth Moves' head bobs from side to side. Activate capability switches to get the fun started. 85 songs and phrases help introduce counting and colors. <i>Interacts with Boppin Beaver and Cool Beats Penguin.</i></p> <p><i>Note: Can be used with or without two switches</i></p>
UCP 02600	<p>Cool Beats Penguin</p> 	<p>Teaches letters, numbers, colors and opposites through more than 80 ten-second songs and phrases. Push on one foot and he sings about colors and opposites. Push the other foot for songs about letters and numbers. When activated, he flaps his flippers, rocks back and forth, and his belly lights up with different colors. Includes an on/off switch with volume control. <i>Interacts with Boppin Beaver and Smooth Moves Sloth.</i></p> <p><i>Note: Can be used with or without two switches.</i></p>
UCP 026001	<p>Boppin Beaver</p> 	<p>Introduces shapes, colors and the numbers 1-10 through 25+ songs, sounds and phrases! Press his head and he lights up, swishes his tail and sings. Or use an external capability switch to control the music and lights. Each touch of his head or switch changes the song. <i>Boppin' Beaver also interact with Cool Beats Penguin and Smooth Moves Sloth</i></p> <p><i>Note: Can be used with or without a switch.</i></p>

UCP 02338	Learn and Dance Zoo Activity Center 	Go on safari with this interactive toy that teaches about animals in the wild. Four colorful buttons on the toy's base and four colorful plates atop its trees introduce animal friends with short, playful songs. Offers a great cause and effect experience.
UCP 02736	Spinning Symphony 	Hear six different Mozart compositions when the user presses any of the brightly colored instrument switches that are easily accessible on a Lazy Susan. At the touch of a switch, add or subtract any of the five different instruments (harp, French horn, piano, flute or violin). Great for enhancing musical interest and developing listening skills.
UCP 02341	All that Glitters 	Enjoy dazzling vibrations, lights, music, glitter and flying beads! This dynamic experience invigorates the user's auditory, visual and tactile senses.
UCP 02342	Pull Ball 	Like having a miniature tetherball court in your home or classroom, this multisensory toy lights up and plays music when users pull on the ball.
UCP 02343	Cosmic Steering Wheel 	Spin the wheel and stars and sparkles fly magically in the dome while music plays and bright lights shine. This is a spectacular cause and effect toy.
UCP 02344	Explore-a-Center 	This multisensory activity center offers users a chance to learn and play with others. Features eight different activities which teach cause and effect as they activate multicolored blinking lights, mechanical music, vibration and sounds of laughter, water splashing, circus and more! A mirror on the side of the toy encourages visual recognition.
UCP 00746	Nursery Rhyme Caterpillar 	Listen to and learn favorite nursery rhymes by pressing the different tactile sections of the caterpillar. Pre-recorded nursery rhymes are fun and engaging. Helps stimulate visual, tactile, and auditory senses. Rewards users with rhymes, multi-colored lights, and tactile buttons.
